Julio is a highly accomplished business man and multi-faceted entrepreneur with an infectious passion for all things wealth, economics and business. Financial intelligence is at the heart and soul of everything Julio does and it's made him a sought-after commentator and educator around the world. From addressing the stage at NSW Parliament House to leading 106 entrepreneurs on a 10-day global think-tank in Antarctica, Julio is a dynamic game-changer who seeks to help, inspire and enable those with whom he comes in contact with.

"My ultimate quest is to raise the financial intelligence of everyday Australians"
